VAE, an experience for a Degree

Anyone, whatever their age, nationality, status and level of training, who has at least one year of experience directly related to the certification concerned, can apply for the VAE.

This certification, which can be a degree, a title or a professional qualification certificate, must be registered in the National Directory of Professional Certifications (RNCP).

VAE: the information to remember

Obtain a degree based on your experience? It is possible with the VAE (Validation of Acquired Experience)!

Welcome to the FCU website

The university continuing education network has been an attentive partner for changes in our socio-economic environment for decades.

Our establishments, by training more than 480,000 trainees each year, are major players in the sector.
